So I was drivn' down the road  
Nothin' in the air  
I figured this little ride  
needed some flair  
So I park by the street  
next to Mickie D's  
and some low-life bitch  
comes up and bumps up  
my back seats

[CHORUS:]  
Snap, snap, snap!  
Oh!  
What'cha think you be doin'?  
(Da-da-doin'?!)  
Smashin' my ride,  
can't you see that gash  
almost all the way to the side?  
Bump this, bump this  
(Yeah, bump it!)  
What'cha think ya doin'?  
Blind people smashin' up my ride  
really is a lag!  
Bump this, bump this!

The solution here is  
that you blind fool  
needs some mo' school  
to fix them damn eyes  
why ya lookin' so sad  
I'm the only one that should be mad!

[CHORUS]

Nothin', nothin' will fix this  
(I'm so sad!)  
You messed up my ride,  
my transportation thing is now a lag  
(I'm so f\*\*kin' mad!)  
No repsect  
(No respect)

You're flippin' me off  
(Cool down, cool down)  
But my ride...

[CHORUS-x2]

{Guitar solo}

Yeah!
