I'm Standing on a bridge
I'm waiting in the dark
I thought that you'd be here by now
There's nothing but the rain
No footsteps on the ground
I'm listening but there's no sound

Isn't anyone trying to find me?
Won't somebody come take me home
It's a damn cold night
Trying to figure out this life
Wont you take me by the hand
Take me somewhere new
I don't know who you are
But I... I'm with you
You
Now I see keeping everything inside
You
Now I see
Even when I close my eyes
I hit you and you hit me back
We fall to the floor, the rest of the day stands still
Fine line between this and that
When things go wrong I pretend the past isn't real
Now I'm trapped in this memory
And I'm left in the wake of the mistake, slow to react
So even though you're close to me
You're still so distant
And I can't bring you back
It's true the way I feel
Was promised by your face
The sound of your voice
Painted on my memories
Even if you're not with me
I'm with you
It's all I can do

The city's flooding
And our love turns to rust
We're beaten and blown by the wind
Trampled in dust

I'll show you a place
High on a desert plain
Where the streets have no name
