Lalala-a (lalala-a)
Yea
Lalala-a (lalala-a)

I coulda been the one you noticed
I coulda been all over you
I coulda been like all the others
Is that what I'm supposed to do?

It woulda been really stupid,
If I woulda went home with you
To give you everything you wanted
It woulda been way too soon

I try to be sensitive
I try to be tough
I try to walk away...
I try to be innocent
I try to be rough
But I just wanna play

You're my daydream, you know that I've been thinking
about you... lately
And every time I look at you
I can't explain I feel insane, I can't get away
You're my daydream

And you know, and you know, and you know, and you
know,
You're making me insane
And you know, and you know, and you know, and you
know,
You're doing it again

If I tell you what I'm thinking,
If I let myself trust you
Can you give me what I'm missing
Can you make my dreams come true

I try to be sensitive
I try to be tough

I try to walk away,
I try to be innocent
I try to be rough
But I just wanna play

You're my daydream, you know that I've been thinking
about you... lately
And every time I look at you
I can't explain how I feel insane, I can't get away
You're my daydream, yeah

And you know, and you know, and you know, and you
know,
You're making me insane
And you know, and you know, and you know, and you
know,
You're doing it again
And you know, and you know, and you know, and you
know,
You're making me insane
And you know, and you know, and you know,
You're doin' it again
