You held my hand and walked me home I know
While you gave me that kiss it was something like this it
made me go ooh ohh
You wiped my tears, got rid of all my fears, why did
you have to go?
Guess it wasn't enough to take up some of my love
Guys are so hard to trust
Did I not tell you that I'm not like that girl?
The one who gives it all away

[Chorus:]

Did you think that I was gonna give it up to you, this
time?
Did you think that it was somethin I was gonna do and
cry?
Don't try to tell me what to do,
Don't try to tell me what to say,
Your better off that way

Don't think that your charm and the fact that your arm
is now around my neck
Will get you in my pants I'll have to kick your ass and
make you never forget
I'm gonna ask you to stop, thought I liked you a lot, but
I'm really upset
Get out of my head get off of my bed yeah that's what I
said
Did I not tell you that I'm not like that girl, the one who,
throws it all away

[Chorus]

Did you think that I was gonna give it up to you, this
time?
Did you think that it was somethin I was gonna do and
cry?
Don't try to tell me what to do,
Don't try to tell me what to say,
Your better off that way

This guilt trip that you put me on won't, mess me up I've
done no wrong

Any thoughts of you and me have gone away

[Chorus]

Did you think that I was gonna give it up to you, this
time?

Did you think that it was somethin I was gonna do and
cry?

Don't try to tell me what to do,
Don't try to tell me what to say,
Your better off that way

Better off that way
I'm better off alone anyway
