Today was the worst day,
I went through Hell,
I wish i could remove it from my mind,
Two months away from you,
But i couldn't tell
I thought that everything was gunna be just fine
The post card that you wrote,
With the stupid little note,
But something wasn't quite right about it,
Smelled like cheap perfume,
And it didn't smell like you,
There is no way you can get around it

CHORUS-

Because you wrote
I wish you were her
You left out the E
You left without me
And now your somewhere out there with a
Hey, Hey psycho babe
I hate you, why are guys so lame,
Everything I gave you well i want,
Everything back but you..

My friends tried to tell me all along,
That you weren't the right one for me
My friends tried to tell me to be strong
I bet you didn't think that i would see
The post card that you wrote,
With the stupid little note,
But something wasn't quite right about it,
I wanna see you cry,
Like i did a thousand times
Now you're losing me,
You're losing me now,

CHORUS

The post card that you wrote,
With the stupid little note,
But something wasn't quite right about it,
Smelled like cheap perfume,

And it didn't smell like you,
There is no way you can get around it

CHORUS-

Because you wrote
I wish you were her
You left out the E
You left without me
And now your somewhere out there with a
Hey, Hey psycho babe

Everything I gave you well i want,
Everything back but you..

The post card that you wrote,
With the stupid little note,
But something wasn't quite right about it,

And it didn't smell like you,
