I cannot find a way to describe it
It's there inside all I do is hide
I wish that it would just go away
What would you do you do if you - if you knew
What would you do?

Chorus:

All the pain, All I knew
All the thought lead back to you
Back to what? It's never said
Back and forth - inside my hand
I can't handle this confusion
I'm unable - come and take me away

I feel like I - I am all alone
All by myself I need to get around this
My words are cold I don't want them to hurt you
If I show you I don't think you understand
Cause no one understands

[Chorus]

I'm going nowhere on and on
I'm getting nowhere on and on
I'm going nowhere on and on
And on and on and on

[Chorus]

I'm getting nowhere on and on
Take me away [5x]
