Patio bells ring again
Rainy clouds come to play again
Did nobody tell him
Her that she is not breathing?

Hello I am his
Her mind giving him
HerSomebody to tell him/her
HelloI smile
And not to believe
Therefore I know that will wake up of that dream
Don't try to repair me, I am not brokenHelloI am the lie
Living for you for you can hide
Don't crySuddenly I know that I am not sleeping
HelloI continue here
Everything that remained yesterda
