Every time you go away  
It actually kinda makes my day  
Every time you leave you slam the door  
You pick your words so carefully  
You hate to think you're hurting me  
You leave me laughing on the floor

Cuz I don't give it up  
I don't give a damn  
What you say about that?  
You know  
I don't give it up  
I don't give a damn  
What you say about that?  
You know  
I'm not gonna cry  
About some stupid guy  
A guy who thinks he's all that

I thought we were just hanging out  
So why'd you kiss me on the mouth?  
You thought the way you taste would get me high  
You went to all your friends to brag  
Guys are always such a drag  
Don't you know the reason that I kissed you was to say  
goodbye

Cuz I don't give it up  
I don't give a damn  
What you say about that?  
You know  
I don't give it up  
I don't give a damn  
What you say about that?  
You know  
I'm not gonna cry  
About some stupid guy  
A guy who thinks he's all that

Hanging, hanging out  
I am simply hanging, hanging out

I am simply hanging  
So why'd you kiss me on the mouth?  
Don't you know that I...

I don't give a damn about you  
I won't give it up  
Not for you  
I don't give a damn about you  
I won't give it up  
Not for you  
I'm not gonna cry  
About some stupid guy  
A guy who thinks he's all that

I don't give it up  
I don't give a damn  
What you say about that?  
You know  
I don't give it up  
I don't give a damn  
What you say about that?  
(I don't give it up)  
I won't give it up  
(I..)  
I don't give a damn  
(I..I..)  
What you say about that?  
(What you say)  
You know  
I won't give it up  
(I..)  
I don't give a damn  
(I..I..)  
What you say about that (until end of fade out)
