Yeah, my boyfriend takes me home when I'm too drunk
to drive
And he doesn't get all jealous when I hang out with the
guys
He laughs at my dumb jokes when no one does
He brings me mexican food from Sombrero's just
because
(Yeah, just because)

And my boyfriend likes U.L. and D.H.C.
And he's so smart and independent, I don't think he
needs me
Quite half as much as I know I need him
I wonder why there's not another girl that he'd prefer

And when I feel like giving up
Like my world is falling down

I show up at 3am
He's still up watching Vacation, and I
See his pretty face
It takes me away to a better place and

(I know that everything [3x]) Everything's gonna be fine
(I know that everything [3x]) Everything's gonna be fine

Yeah, my boyfriend takes collect calls from the road
And it doesn't seem to matter that I'm lacking in the
bulge
He laughs at my dumb jokes when no one does
He brings me mexican food from Sombrero's just
because

And when I feel like giving up
Like my world is falling down

I show up at 3am
He's still up watching Vacation, and I
See his pretty face
It takes me away to a better place and

(I know that everything [3x]) Everything's gonna be fine
(I know that everything [3x]) Everything's gonna be fine
(I know that everything [3x]) Everything's gonna be fine
(I know that everything [3x]) Everything's gonna be fine

(I know that everything [3x]) Everything's gonna be fine
(I know that everything [3x]) Everything's gonna be fine
(I know that everything [3x]) Everything's gonna be fine
(I know that everything [3x]) Everything's gonna be fine
