I'm tuggin' at my hair
I'm pullin' at my clothes
I'm tryin to keep my cool
I know it shows

I'm staring at my feet
My cheeks are turning red
I'm searching for the words inside my head

Cause I'm feeling nervous
Tryin' to be so perfect
Cause I know you're worth it
You're worth it, yeah

If I could say what I want to say
I'd say I want to blow you, away
Be with you every night
Am I squeezing you too tight
If I could say what I want to see
I want to see you go down, on one knee
Marry me today
Guess I'm wishing my life away
With these things I'll never say

It don't do me any good it's just a waste of time
What use is it to you what's on my mind
If it ain't comin out we're not going anywhere
So why can't I just tell you that I care

Cause I'm feeling nervous
Tryin' to be so perfect
Cause I know you're worth it, you're worth it yeah

If I could say what I want to say
I'd say I want to blow you, away
Be with you every night
Am I squeezing you too tight
If I could say what I want to see
I want to see you go down, on one knee
Marry me today
Guess I'm wishing my life away

With these things I'll never say

What's wrong with my tongue
These words keep slipping away
I stutter I stumble like I've got nothing to say

Cause I'm feeling nervous
Trying to be so perfect
Cause I know you're worth it
You're worth it yeah

I guess i'm wishing my life away
With these things I'll never say

If I could say what I want to say
I'd say I want to blow you--away
Be with you every night
Am I squeezing you too tight
If I could say what I want to see
I want to see you go down, on one knee
Marry me today
Guess I'm wishing my life away
With these things I'll never say

These things I'll never say
