Grains of sand slip through your hands  
Never ceasing time  
Fold your hands in silent prayer  
Eternal peace you'll find

[CHORUS]  
Like two rivers flow  
To the open sea  
Someday we'll reunite  
For all eternity

Let the rain falling on your face  
Run in to your eyes  
Can you see the rainbow now  
Through the stormy skies

[CHORUS]  
Like two rivers flow  
To the open sea  
Someday we'll reunite  
For all eternity

Like two rivers flow  
To the open sea  
Someday we'll reunite  
For all eternity

Standing in the rising tide  
Heaven's light shines on you  
On you, on you

Test the sea rising at your feet  
How far can you go  
Til you need God's helping hand  
To ride the under-toe

[CHORUS]  
Like two rivers flow  
To the open sea  
Someday we'll reunite  
For all eternity

Someday we'll reunite  
For all eternity

Someday we'll reunite  
For all eternity
