[Intro - Instrumental (16 seconds)]

[Verse 1]

I always needed time on my own,  
I never thought I'd, need you there when I cry  
And the days feel like years when I'm alone,  
And the bed where you lied,  
Is made up on your side.

[Refrain]

When you walk away  
I count the steps that you take  
Do you see how much I need you right now?

[Chorus]

When you're gone,  
The pieces of my heart are missing you!  
When you're gone,  
The face I came to know is missing too!  
When you're gone,  
All the words I need to hear to always get me through  
the day...  
And make it OK...  
I miss you.

[Verse 2]

I've never felt this way before,  
Everything that I do,  
Reminds me of you.  
And the clothes you left,  
They lie on the floor,  
And they smell just like you,  
I love the things that you do!

[Refrain]

When you walk away  
I count the steps that you take  
Do you see how much I need you right now?

[Chorus]

When you're gone,

The pieces of my heart are missing you!  
When you're gone,  
The face I came to know is missing too!  
And when you're gone,  
The words I need to hear to always get me through the  
day...  
And make it OK...  
I miss you.

[Middle-eight]  
We were made for each other,  
Out here forever,  
I know we were,  
Yeah Yeah!  
All I ever wanted was for you to know,  
Everything I do I give my heart and soul,  
I can hardly breathe I need to feel you here with me...  
Yeah!

[Chorus]  
When you're gone,  
The pieces of my heart are missing you!  
When you're gone,  
The face I came to know is missing too!  
When you're gone,  
The words I need to hear will always get me through  
the day...  
And make it OK...  
I miss you!
