Go to your left
Your right, your left
Go to your left
Your right, your left

I'm just like a prairie flower
Honey, honey
I'm just like a prairie flower
Babe, babe

Growing wild by the hour
Honey, oh, baby, mine

Go to your left
Your right, your left
Go to your left
Your right, your left

I'm engaged to marry Sue
Honey, honey
I'm engaged to marry Sue
Babe, babe

I'm afraid to get undressed
'Cause Mary's tatooed on my chest
Honey, oh, baby, mine

Look around, look around
Come join the happy hunting ground
Seven women to each guy
What a lovely way to die
Honey, oh, baby, mine

Go to your left
Your right, your left
Go to your left
Your right, your left

Got a gal in every port
Honey, honey
Got a gal in every port
Babe, babe

Got a gal in every port
They're suing me for non-support
Honey, oh, baby, mine

Go to your left
Your right, your left
Go to your left
Your right, your left

Never saw a dame so large
Honey, honey
Broader than a landing barge
Babe, babe

For kissing her they gave to me
The purple heart for bravery
Honey, oh, baby, mine

Yesirree, yesirree
Can you name the same as Lauralee
She ain't much but what the heck
I'm her favorite leatherneck
Honey, oh, baby, mine

Go to your left
Your right, your left
Go to your left
Your right, your left

Go to your left
Your right, your left
Go to your left
Your right, your left

Nickle in the drink machine
Honey, honey
Nickle in the drink machine
Babe, babe

Down the hatch and never stop
Gonna drink until I drop
Honey, oh, baby, mine

Go to your left
Your right, your left
Go to your left
Your right, your left

Go to your left
Your right, your left

Go to your left
Your right, your left
