This may sound like a rap
But we ain't like that
Here we go
Been around the world
Never that
Here in mass is where it's at
Just a chill, fly homey with a
Gat in his back
He's makin' the dough
Cuttin' it slow
Chillin' with moe
Them damn fly bitches sayin' how low
Ya see if he would just chill
With me
We'd bust more rhymes them a Lima bean
I live in mass where
Makin' my cash
Doin' it fast
Before you have time to pass
Ha Ha moe look at that hoe
She be shakin' her bootio
Hey POW you want some smack?
Na, we ain't like that
