VERSE 1

I think its time for me to go now,
I've done more harm than good
If I could change how this turned out
Yeah
You know that I would

PRE-CHORUS

Sometimes the weight is more than I can hold,
I'd rather fail than not know

CHORUS

If it takes forever,
I will die trying
If it takes forever,
I will die trying
I will die trying

VERSE 2

I wish I knew then what I know now,
I'd probably do the same
Yeah
I get the feeling it's planned out,
From the cradle to the grave

PRE-CHORUS

Sometimes the weight is more than I can hold,
I'd rather fail than never really know

CHORUS

If it takes forever,
I will die trying
If it takes forever,
I will die trying
I will die trying

BRIDGE

I am digging a hole,
I am taking it all
I am digging a hole,
To bury my soul
I am digging

CHORUS

If it takes forever,
I will die trying
If it takes forever,
I will die trying
If it takes forever,
I will die trying
If it takes forever,
I will die trying 'forever'
I will die trying 'trying'
