Now the fuse is lit

What you are about to hear is gonna be hot

Let the breaks go

All of us are one people

All of us are one people

Let the breaks go

All of us are one people (Noise) (Noise)

All of us are one people (Noise) (Noise)

All of us are one people (Noise) (Noise)

All of us are one people (Noise) (Noise)

All of us are one people (Noise) (Noise)

All of us are one people (Noise) (Noise)
