He's just a kid on the street
Got it tough, trying to make ends meet
So high on low self-esteem
Nowhere to wake up with no place to sleep

I pass him by every week
Offer change, hope he forgives me
But will I ever know his name? Will I ever know?

Is the whole world crazy now?
The whole world's crazy now
I don't wanna believe there's no way out
Is the whole world crazy now?

She's got a kid at thirteen
He stole her innocence and fled the scene
Disowned by a daddy who drinks
They found her there by the bathroom sink
Will I ever know her name? Will I ever know?

Is the whole world crazy now?
The whole world's crazy now
I don't wanna believe there's no way out
Is the whole world crazy now?

I see your face even with my eyes shut
I see your face but will I ever know?
I see your face even with my eyes shut
I see your face but will I ever know
That I don't even know your name? Will I ever know?

Is the whole world crazy now?
Is the whole world crazy now?
I don't wanna believe there's no way out
Don't wanna believe it's over
Over, over, over over, over, over, over
I just don't wanna believe there's no way out
Is the whole world crazy now?

Crazy
Yeah
