I'm sitting here beneath the wall
Wondering if I should call
You up and ask you out on a date
Maybe that would be so great
To take you to a movie show
Or maybe we could just go
Somewhere and talk about our lifes
The moment seems to be so ripe

Chorus: To be with such a Lovely Queen
This is much more than a dream
To have some time and spend it with you
This is a dream-A dream come true

I hope I will not cause you any strife
I just want to take you out tonight
The music seems to be so grand
Lady your walking with a gentleman
I have no mean cruel cunning plans
I just want to hold your hand
And tell you of so many things
We float in air like we've got wings

La-La la-La la la
Lo lo-Lo lo-Lo lo lo
La la-La la-La la la
Lo lo-Lo lo-Lo lo lo
Stars shine all around
You are a Queen, you wear a crown
And I your Knight will never frown
And I your Knight will never frown
