You go Ho ! Ho ! Ho !
And you go,go,go
Doing the Santa Claus Twist
You get a red suit
And you get your gal(guy) one to
Doing the Santa Claus Twist
You roll,roll,roll like you've got a big belly
Dust off your clothes like you've just come from the
chimney
Take a chance
Do this dance
Doing the Santa Claus Twist
You get a little red hat
With a little white ball
Doing the Santa Claus Twist
All of a sudden
The reindeer you call
Doing the Santa Claus Twist
Dasher and Dancer,Prancer and Vixen
Comet and Cuped,Downer and Blisten
Take a Chance
Do this dance
Doing the Santa Claus Twist
