[Music: Furni/Cabra / Lyrics: Dave Rotten]

Darkness surrounds me  
In my sorrowful agony  
I feel my death is near  
And its corroding my mind

Tormented thoughts  
Invades my head  
The final day has come to me  
I just have to wait  
Laid down on my bed waiting  
For my final breath  
I have no strength to control  
My dismal thoughts of demise

Certain death  
Dark decay  
In peace i die  
Slowly i rot

My body is passing away  
But my soul still remains  
It is just longing for  
My last decrepit sigh

Tormented thoughts  
Invades my head  
The final day has come to me  
I just have to wait  
Laid down on my bed waiting  
For my final breath  
I have no strength to control  
My dismal thoughts of demise

Certain death  
Dark decay  
In peace i die  
Slowly i rot

My body is passing away  
But my soul still remains

It is just longing for  
My last decrepit sigh

[Guitar solo: Cabra]
