Guttered but soon restuffed
Your carcass emptied out
Refilled with crawling filth
The slithering sickness

Your dead body moving again
Swarming with viral life
In death resurrected

Maggotfilled
All your life drained and dead
Maggotfilled
Packed with worms withing your head

Reanimated with disease
Delivering your viral load
Your bloated body now explode

Maggotfilled
All your life drained and dead
Maggotfilled
Packed with worms withing your head

Guts and pus pouring out
Together with an army of worms

Guttered but soon restuffed
Your carcass emptied out
Refilled with crawling filth
The slithering sickness

Your dead body moving again
Swarming with viral life
In death resurrected

Maggotfilled
All your life drained and dead
Maggotfilled
Packed with worms withing your head

Reanimated with disease
Delivering your viral load

Your bloated body now explode

Maggotfilled

All your life drained and dead

Maggotfilled

Packed with worms withing your head

Guts and pus pouring out

Together with an army of worms
