I Love Dissecting Dead Girl Bodies
Their Naked Corpses Excite My Mind
The Aroma Of Decomposition
Is The Best Aphrodisiac You Can Find

With Forceps I Twist Her Nipples
I Touch Them Thru My Rubber Gloves
I Spread Her Legs Along The Table
To Explore The Dank Genital Zone

Sinking Down My Fingers
Into Her Cold Cunt
It's Wet By Adipocere
She's Ready To Fuck
Then I Suck Her Fluids
And Swallow The Pus

Sodomized With My Bistoury
She's Starting To Gush
Fornicate Her Bloody Corpse
Gently Disembowelled
Penetrate Her Intestines...
Oh, Baby, I Will Cum!!
Aaaaahhhh - Aaaaahhhh

Festered Cavities I Rape
Getting Pleasure On Decay
She's A Really Obedient Girl
She Does All The Things I Say

When I'm Gonna Kiss Her Face
Mouldy, Emaciated And Pale
A Dark Crimson Substance Drips
From Her Swollen Purple Lips

Post Mortem Convulsions, Violent Spasms
Because Of The Gases I Get An Orgasm

Obscene Masturbation, With Amputated Limbs
A Severed Rotten Tongue Sucks My Dick

My Grisly Porno-Autopsy Ends

Ejaculating On Her Corpse
Hot Semen Over Her Remains
Emetic Is My Way Of Love
