Tattooed all my skin  
My body is all over pierced  
I've burnt scarifications  
None of this is not enough

I've gotta go beyond  
My body is not perfect  
Don't feel happy with it  
I've got to remove something

Fingers are too many  
My dick disturbs so much  
Nipples are useless bulges for me

I'll go for crotch removal  
Perhaps infibulation  
Penectomy looks the best choice

Nullo [x3]  
The pleasure of self-mutilation  
Nullo [x3]  
The pleasure of self-mutilation

Without balls and penis  
Pissing through a catheter  
I feel my body looks much nicer

I love nullification  
I'll amputate a hand  
Some feet fingers will go next

The pleasure of self-mutilation
