A Travel Of Pleasure,  
Uncontainable Desire  
He Couldn't Resist,  
And She Started To Suck  
Climax To The Limit,  
Control Starts To Miss

Unconscious Of The Danger  
Their Minds Are Flying Away  
Responsibility And Pleasure  
Two Incompatible Terms  
The Car Is Going To Crash

There's No Time To React  
A Violent Accident, Cut Off Their Lives

Spared Pieces Of Flesh  
Totally Calcinated  
Nothing Was Recognizable

But Right After The Autopsy  
Everything Was Cleared Up  
She Died By Asphyx  
And His Dick Was Out Of Place
