What is wrong....
Walk me there....
Cause have fallen...
That's what like...
Put your arms around me...
I need to sleep...
Cause I have fallen.

Hmmmm....sing for me again
Tell me I'm beautiful
Mmmmmm...be sure to be here when
When I cry for you.

Hmmmm....sing for me again

Don't you know that I wish to be
That little one having fun
Do you recall the times, when
You didn't have to miss anyone?

No broken ties, no doubts ever again
The whole wide world in your pocket.
Hmmmm, it was easy then,
You had all your worries covered.

Play me that old song
Walk me to the classroom
Don't tell me what is wrong
Heall my aching wound.

Bring me lots of sweets,
Cheer me up when I am sad.
Wash my dirty sheets
And put me into bed.

Hmmmm....sing for me again
Tell me I'm beautiful
Mmmmmm...be sure to be here when,
When I cry for you.

Hmmm....sing for me again

Tell me I'm beautiful
Mmmmmm...be sure to be here when,
When I cry for you.
