Turn Your Head Around And See Your Enemies
Everyone You Call Your Friend

Is Ready To Slit Down Your Wrists
I Curse, Damn This Whole Morbid World

Drowned In Hate

Since The Dawn Of Time And The First Days

Vision's Blurred, But I See This Ominous Sight
Endless Grief In My Sorrowful Eyes
As I Look At This Woebegone World Reflected As A
Dream
They're Not Humans, But Shades

With Thirst To Prolong

Their Pitiful Lives For A While
I Belong To This Brood, I Belong To This Swarm,
I'm The Same As Them All
In This Crawling Horde

Upwards Over The Dead
Cut Their Throats Not To Give Them A Swallow Of Life

Blood And Poison Drip From Their Fangs
There're No Faces, But Atrocious Smiles
Blind Bleeds The Blind, Thirst For Blood
Flesh And Mind Shackled And Bound
Level Of Pain Equal For All
All Your Lives - Punishment Divine

Fallen Face Down, Trampled To Ashes And Dirt
Into Scattered Remains Of Those Who've Been Before
You

On The Grey Stones Of This Endless Unbreakable Wall
I See Heavenly Tears Flowing Down
Freezing As The Unsplittable Ice
Cold Indifference Reflected In Fragments Of Glass
Broken Windows To Haze With No Rift

To A Borderless Lightless Abyss

Make Me Blind

Not To See This Swarming Hive

Make Me Deaf

Not To Hear Their Wicked Screams

Better Skin Me Alive

Not To Feel How They're Wasting My Soul

I Stand As I Cry

Look, Vast Tenement Graveyard Unfolds

Splendid Dance Like Convulsions Of Dressed In Flames

And My Tale Turns To Funeral Dirge

Solemn Requiem Of Humankind

...Weeping Verses Out Loud...

Spiral Staircase That Leads To Cradle Of Sleep

No One's There To Abolish This Law

Falling Down, Grasping At Final Straws
