Desert sand, Modern man searching for answers to the  
mysteries  
Far away night become day unlock the secrets of their  
lives

And through the years nature's tears wash away the  
pain with the rain  
After all this time, oh victim of the crime  
They fear a kill, a kill in the afterlife

Cross the sea to the Valley Of The Kings  
Men are fools never know what the future brings  
Gold and thieves in the Valley Of The Kings  
Look what you've done, oh the damage is done

Forever sleep their souls to keep entombed in dark  
shadows for all time  
Shifting sand the hands of man disturbing the peace of  
sacred land  
And through the years nature's tears wash away the  
pain with the rain  
They left a curse for you nothing you can do  
They fear a kill, a kill in the afterlife

Cross the sea to the Valley Of The Kings  
Men are fools never know what the future brings  
Gold and thieves in the Valley Of The Kings  
Look what you've done, oh the damage is done  
They fear a kill, a kill in the afterlife

Cross the sea to the Valley Of The Kings  
Men are fools never know what the future brings  
Gold and thieves in the Valley Of The Kings  
Look what you've done, oh the damage is done
