A shout in the night  
It's time for a fight  
No matter what's wrong or right  
I'm breaking the crack  
It's time to raise hell  
Get ready for my revenge  
I'm dark in my mind  
But never say die  
So many times I have died  
I wanna you to live forever  
In my world of nightmare

You all will cry for mercy  
Kneel down, be free from sins  
I wanna hear your voices scream

Rise up from the ashes, never stop the row  
But I don't wanna cry and see my city burn  
Rise up from the ashes now  
You will jump when time is right for you  
Rise up from the ashes coming through the night  
Make your burning arrows, ready for the fight  
All we know that you're the Devil in disguise

[Solo]

I can't feel the sorrow  
I can't feel the pain  
And feeling the heat again  
Wherever I see  
Just wanna see flames  
And build a new world of hate  
I'm nasty and cruel  
So this is the truth  
No way to change my aim  
The ground will burn  
I'm running to a point of no return

You all will cry for mercy  
Kneel down, be free from sins  
I wanna hear your voices scream

Rise up from the ashes, never stop the row  
But I don't wanna cry and see my city burn  
Rise up from the ashes now  
You will jump when time is right for you  
Rise up from the ashes, never stop the row  
But I don't wanna cry and see my city burn  
Rise up from the ashes now  
You will jump when time is right for you
