...Come on!

Roaming the Seas and the mountains
I'm searching for you
Revealing what terrible curse will sign our doom

Castles and villages are falling
The ground gushes blood
Men run in every side, unable to fight this war

Down in the Abyss something burns, nooo... noooooo!

Can't you feel the Devil's anger's rising on to get what
he wants
Can't you hear the Judgement Trumpets, oh no, it's the
end of the World

A shellfire of evil has come, so we will die!

[Solo]

Angels contrast the Demon's force, nooo... noooooo!

Can't you feel the Devil's anger's rising on to get what
he wants
Can't you hear the Judgement Trumpets, oh no, it's the
end of the World

God, can you hear me' Please help us to find
The power to shield all Mankind
I'm on the run, ready to spread out my rage

God, can you hear me' Please help us to find
The power to shield all Mankind
Unite all for one we will save the World!
