I been away from my baby so long  
Everyday seem to last forever  
I can't wait till I get back home  
My bags are packed  
And right now I'm checking out  
This morning getting back to you girl  
Ya I finally worked it out

Thanks for giving me some time and space  
Now I see your the only one for me  
I got lost on a dusty road  
Baby I found my way home to you again

(And I'm back on track)  
Oooooo  
(I'm coming back)  
I said I can't make it without you love  
(I'm back on track)  
I need you baby I'm coming back  
(I coming back)  
I'm coming back to you  
(I'm back on track)

Just yesterday you were talking on the phone  
Hear the sweet sound of your voice  
Was like hearing my favorite song  
I bend my knees when your heart  
Was beating next to mine  
And I'm leaving here today  
Coming back to you for thoses good times

Send a message to all of my friends  
I said you and I are gonna need some time alone  
In a little shack were're gonna hide away  
I'll be so gald when I get back home

(I'm back on track)  
Oooooooooo  
(I'm coming back)  
I said I'm coming back home to your love  
(I'm back on track)  
I said I need you and I can't make it without you baby

(I'm coming back)  
Ooooo I'm back on track

Thanks for giving me some time and space  
Now I see your the only one for me  
I got lost on a dusty road  
Baby I found my way home to you again

(I'm back on track)  
Ooooooooooooo  
(I'm coming back)  
I'm coming back home to you baby  
(I'm back on track)  
I said I can't make it without your love  
(I'm coming back)  
I'm gonna make it better this time  
(I'm back on track)  
I'm back on track I'm coming back home to you baby  
(I'm coming back)  
I'm coming back home I'm gonna love you  
(I'm back on track)  
I need you oh my love  
(I'm coming back)  
I said I'm coming back, yeah  
(I'm back on track)  
I'm gonna rock you all night long baby  
(I'm coming back)  
I'm gonna make it better this time I'm gonna make it  
better  
(I'm back on track)  
I said I need you
