Vicious rumors they say that I'm cheatin'  
There's a woman they say that I'm meeting  
Regularly through out the week  
You better believe in every word they speak  
Now you are my woman and I swear to you  
Let nobody come between us two  
You're jumpin' the gun baby  
None of what you heard is true, not a word  
You're jumpin' the gun baby, my heart belongs to you,  
only you  
You got me convicted, something I've never done  
Um huh you're jumpin' the gun

All of these years we've been together  
Through so much hard times and nasty weather  
I really thought you had faith in me  
Honey now I can see  
A jealous heart is what you got  
You're running wild tearing us apart  
You're jumpin' the gun baby  
Every word you heard ain't true, not one word  
You're jumpin' the gun baby, my heart belongs to you,  
only you  
You got me convicted, something I've never done  
Um huh you're jumpin' the gun

I'm leaving it up to you take it for what it's worth  
Don't let love blow away like dust from the earth  
Time and again I told you, you are the only one  
Believe me baby you're jumpin' the gun  
You're jumpin' the gun baby, none of what you heard is  
true, not one word  
You jumpin' the gun baby, my heart belongs to you,  
only you  
Well you got me convicted, something I've never done  
And you you you you you you jumpin' the gun  
Your jumpin' the gun baby none of what you heard it  
true, not one word  
Your jumpin' the gun baby, my heart belongs belongs  
to you  
Girl you got me convicted, something I've never done  
And you you you you you you you you jumpin' the gun

None of what you've heard is true, not one word, not  
one word  
Your jumpin' the gun, my heart belongs to you, only  
you  
Girl you got me convicted, something I've never done
