Got a mansion with a view
Got a maid and a butler too
Got a chauffer driven car
Big stretch limo with a bar
Got a closet full of custom suits
Mohair socks and lizard boots
All around me are beauty queens
Lord they started in their teens
(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without you baby not big deal
(No big deal)
No big deal
(No big deal)
(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without you baby no big deal
(No big deal)
No big deal
(No big deal)

I dine out anywhere I want
Gourmet foods four star restaurants
Got my Lear Jet got my yacht
But I would give up all that I got
(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without you baby no big deal
(No big deal)
No big deal
(No big deal)
(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without you baby no big deal
(No big deal)
No big deal
(No big deal)

(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without you baby no big deal
(No big deal)
No big deal
(No big deal)

Gone so far as darkest Africa
On a mule to India

Riding camels along the Nile
Thinking bout you honey all the while
Royal treatment living like a king
It don't mean much of anything
All of my money it can't buy you a thrill
Need your loving give me voodoo chills
(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without you baby no big deal
(No big deal)
No big deal
(No big deal)
(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without you baby no big deal
(No big deal)
No big deal
(No big deal)
(Shoop shoop shoop shoop shoop shoop shoop shoop)
Without, without you baby no big deal
(No big deal)
No big deal
(No big deal)
(Shoop shoop shoop shoop shoop shoop shoop shoop)
All of my money can't buy you a thrill it's no big deal
(No big deal)
No big deal
(No big deal)
(Shoop shoop shoop shoop shoop shoop shoop shoop)
And ahh without you baby no big deal (No big deal)
No big deal
(No big deal)
Without, without
