Anna, you come
And ask me, girl
To set you free, girl

You say he loves you
More than me
Well, I will set you free
Go with him (Anna)
Go with him (Anna)

But, Anna, girl
Before you go now
I want you to know now
I still love you so but
If he loves you more
Go with him

All of my life I've been
Searching for a girl
To love me like
I love you, oh, my

But every girl I've ever had
Breaks my heart
And leaves my sad
What am I, what am I
Supposed to do, oh, oh

Anna
Just one more thing, girl
Give back my ring to me
And darling, you'll be free
Go with him

All of my life, I've been
Searching for a girl
To love me like
I love you, oh

But let me tell you now
Every girl I've ever had
Breaks my heart

And leaves my sad
What am I, what am I
Supposed to do, oh, oh

Anna
Just one more thing, girl
You give back my ring to me
And darling, you'll be free
To go with him

(Anna) go with him
(Anna) go with him
(Anna) you can go with him
