Tell me that you love me every day
When we're alone
I really feel the love

But when we're out with friends
I see you change
You treat me bad
I feel like second best

I want your love
(I want your love)
Give me your love, boy
(Give me your love)
That's how I feel and
I want it to be real

I want your love
(I want your love)
Give me your love, boy
(Give me your love)
I need your touch and I
I.O.U you so much

A-e-a-e-i-o-u-u, I sometimes cry
A-e-a-e-i-o-u-u, I sometimes lie
A-e-a-e-i-o-u-u, I sometimes cry
A-e-a-e-i-o-u-u, I sometimes lie

I realize the things you're saying
I know you do and it
Makes me so confused

I'm sure this ain't the way
Our love should be
Let's get it right
It's much too good to lose

A-e-a-e-i-o-u-u, I sometimes cry
A-e-a-e-i-o-u-u, I sometimes lie
A-e-a-e-i-o-u-u, I sometimes cry

A-e-a-e-i-o-u-u, I sometimes lie

Boy, I really care, I really care
I really care, care, care, care
Boy, I really care, I really care
I really care, care, care, care

Boy, boy

I want your love
I need your love
Give me your love
Give me your love

I want your love
Give me your love
I need your love
Give me your love

I want your love
I need your love
Give me your love
Give me your love

I want your love
Give me your love
I need your love

Boy, I know you were untrue
But now we're back
We're gonna make this love last
No matter what you do
Or what you say
I'll never love another

A-e, I owe you, boy
Owe you, boy
A-e, I owe you, boy
Owe you, boy...

I really love you
I really need you
I really love you
I really need you
I really love you
Hey, ay, ay, yeah
