Uh-huh-yeah-eah-eah-ay-ay, libblelibblelibblelibble,
Woh yeah

Listen everyone - All around the world, the people
crying, can't find somethin' to believe
They put so much faith in people who are lying, they're
so easy to deceive
Ain't no mystery, you know the wor-ords to set you free,
there for all the world to see
When you got it on your side, there's no reason left to
hide, you-hou-ou-ou got to give it to receive
Yeah-heah the message is love

Love is the message and the message is love (weh-
heh)
From the streets to the mountains to the heavens
above (uh-huh-uh)
(Tell everybody) Tell everybody (yeah-hey) what your
dreaming of
Woh-hoh-hoh-oh, that love is the message and the
message is love (oh-oh)

Deep in every heart, there-ere's an answer, what will it
take to make it real
Leave and console my wall of confusion, still can't tell
you what you feel

Hey-yeah, Why must it be the sign of something
burning in the night to make us hunger for the day-ay-
ay
Oh, there ain't no mystery, just love enough to let it be
Everybody knows the way, yeah-heah, the message is
love

Love is the message (hey) and the message is love
(eah...)
From the streets to the mountains to the heavens
above
(Hey-hey tell everybody) Tell everybody what your
dreaming of
Uh-huh-huh-uh, Tell them love is the message and the

message is love, is love

Can you hear the sou-ou-ou-houn-ound, must be the
ear-ear-ear-earth spinnin' 'rou-ou-ou-ound
We're gonna find ou-out, just what the world, just what
the world is all abou-ou-out
The message is love

Love is the message and the message is love (yeah...)
From the streets to the mountains to the heavens
above
(Come on and tell everybody) Tell everybody what your
dreaming of
