Well, I've got no one to love me, guess I'm all alone  
That's why I'm worried, darling, and I'm all alone  
You know I'm worried, yes, I'm lonesome  
You know I'm lonesome baby, in this world for you

Sometimes I'm on the wonder, wonder to myself  
You know I love you, baby, and you love somebody else  
But I am wondering, yes, I'm wondering  
You know I'm wondering, baby, in this world for you

I ain't got nobody, I'm here all alone  
The one I love, she really don't stay at home  
That's why I'm lonesome, yes, I'm lonesome  
You know I'm lonesome, baby, in this world for you
