The first time I saw you  
I thought you were amazing  
You took my hand and told me  
You would make me  
Another line, that was a lie  
And I can't take another hit now  
My defense is breaking down

And oh yeah (oh yeah)  
I'm walking out the door now (oh yeah)  
Now I'm coming back for more

'Cause every time I go to you  
You take it all away (oh yeah)  
You just bring me, always  
You just bring me  
'Cause every time I go to you  
You take it all away  
You just bring me  
You just bring me down

Another smile, another kiss  
Now I can tell, but you can't taste it  
'Cause it was hidden oh so well  
And now I'm standing  
Wanting someone to pick me up  
But no one's coming  
And this is how I feel

And oh yeah (oh yeah)  
I'm walking out the door now (oh yeah)  
Now I'm coming back for more

'Cause every time I go to you  
You take it all away (oh yeah)  
You just bring me, always  
You just bring me  
'Cause every time I go to you  
You take it all away  
You just bring me  
You just bring me down

I'm disconnecting feelings  
That I thought I knew so well  
I'm letting go of everything  
That I've ever felt

And oh yeah (oh yeah)  
I'm walking out the door now (oh yeah)  
Now I'm coming back for more  
Oh yeah, oh yeah!  
Oh yeah, Oh yeah!  
Oh yeah!

'Cause every time I go to you  
You take it all away (oh yeah)  
You just bring me, always  
You just bring me  
'Cause every time I go to you  
You take it all away  
You just bring me  
You just bring me down
