Larry Love, do you remember  
When I came upon you in that place of suffering  
In the valley of darkness?  
I took away all you pain  
And put love in your cold, cold heart

And from that day forward  
Told you to go out and spread my word through music  
Sweet, [Incomprehensible], country, acid house music  
From that day Larry, you not only joined my church  
You embraced my whole philosophy, my whole way of  
life  
Because remember little man don't you go to Goa

I believe I'm gonna  
Shut down my chakras, shift Shiva off my shelf  
Take down my tie dyes, my Tibetan bells  
Cool down my karma with a, a can of O.P.T.  
Ain't no call for Castaneda in my front line library

'Coz there's one thing I know  
Lord above, I ain't gonna go  
I ain't goin' to Goa, ain't goin' to Goa now  
I ain't goin' to Goa, ain't gonna Goa now

Yeah, people in the house  
I ain't dancin' trance, no thanx, no chance to tranquilize  
me  
I ain't sippin' no smart bar drinks, yo, that don't satisfy  
me  
Dosing up my dharma with a, a drop of gasoline  
I ain't down with Mr. McKenna, tantric mantra talkin'  
don't move me

'Coz there's one thing I know  
Lord above, I ain't gonna go  
I ain't goin' to Goa  
(Ain't goin' to Goa)  
Ain't goin' to Goa now  
(Ain't goin' to Goa now)

I ain't goin' to Goa

(Ain't goin' to Goa)  
Ain't gonna Goa now  
(Ain't goin' to Goa now)

I don't need no freaky, deeky, fractal geometry, crystal  
silicon chip  
I ain't walking along lay lines, reading no High Times  
Put me on another bad trip, ah well, Timothy Leary  
Just check out this theory, he sold acid for the F.B.I  
Well, he ain't no website wonder, the guru just went  
under  
You can keep your California sunshine

Yeah, I believe you [Incomprehensible]  
'Cos the righteous truth is, there ain't nothing worse  
than  
Some fool lying on some third world beach  
In spandex, psychedelic trousers, smoking damn dope  
Pretendin' he gettin' consciousness expansion  
I want consciousness expansion, I go to my local  
tabernacle an' I sing

Ain't goin' to Goa, ain't goin' to Goa now  
Ain't goin' to Goa, ain't goin' to Goa now  
I ain't goin' to Goa  
(Ain't goin' to Goa)  
Ain't goin' to Goa now  
(Ain't goin' to Goa now)

I ain't goin' to Goa  
(Ain't goin' to Goa)  
Ain't goin' to Goa now  
(Ain't goin' to Goa now)

I ain't goin' to Goa  
(Ain't goin' to Goa)  
Ain't goin' to Goa now  
(Ain't goin' to Goa now)

I ain't goin' to Goa  
(Ain't goin' to Goa)  
Ain't goin' to Goa now  
(Ain't goin' to Goa now)
