Green shirt  
Simple make up  
And your warm little hands  
Make me miss you more tonight

Long hair  
Your sweet-scented perfume  
Your lovely eyes  
Make me wish I'm there tonight

CHORUS:  
Beautiful Katie  
I'll see you when I come back  
I hope you don't miss me that much  
'Cause I'll be home soon  
Beautiful Katie  
Baby I love you  
And I'll sing you this song  
Now 'til the end

Brown eyes  
Silver necklace  
How I wish I can  
Hold you close tonight

Your lips  
Your calm voice  
Makes me want to sing  
With you tonight

[Repeat CHORUS]  
[Adlib]  
[Repeat CHORUS]

Outro:  
And I'll sing you this song  
And I'll sing you this song  
And I'll sing you this song  
Now 'til the end
