The past was good
Everything was cool
Your hands were always warm
These days are gone
It's over now
But deep inside your ruined self cries out
It's not good you're unwell
But you keep pretending you're alright
Alright

Yesterday is not the same as it is today
Your broken heart, your bloody hands are bare tonight

And now you keep on dreaming
Those dreams you keep are dying
You're broken inside
And now you keep pretending
You cover up smiling
Your broken smile
With your broken
With your broken
With your broken smile
Smile

Tears roll down your cheeks
Hidden on the scene
Crawling out
Searching out
For love
For love
For love
For love
For love
For love
For love
For love
For love
For love
