

Artificial October "Goodbye Butterfly"

Visit "[Goodbye Butterfly](#)" on MotoLyrics.com

As I look at the stars
I remember you
All those perfect days
With all the perfect smiles

PRE-CHORUS:

And now that you're gone
I pray you'll be alright
And now that you're gone
I hope you'll find love

CHORUS:

Goodbye butterfly
It's been nice to hold you for a while
Goodbye butterfly
I love you

As I walk down the road
I can't help but to close my eyes
And dream that everything
Is back to what we are before

[Repeat PRE-CHORUS and CHORUS]

ADLIB

Bye bye butterfly (3x)
I love you
Bye bye butterfly (3x)
I love you

[Repeat CHORUS]
