Lonely Wednesday nights
Staring at the lights
Shadows come to life
Entering my mind

I'm going insane
Without you here with me
I want you beside me
Cure my insanity
When I come home

Your lovely dark brown eyes
Wish I can see tonight
It's still January dear
See you in two weeks time

I'm going crazy
Without you here with me
I'm rushing time
So I can bring you smiles
When I come home
When I come home

My darling beautiful
My heart is yours to own
Eating pik-niks and munching bread sticks
Won't thin this feeling at all

I'm missing you badly
Deeply, intensely, exceedingly
I'd give everything to you
Will you rule my world?
When I come home
When I come home
When I come home
When I come home
Home
Home
To you
