Today is a sad, sad day

I never felt this way before

And it's you I'm thinking of

I can't just sleep without you

I feel like breaking down

Got myself tied in this mess

And I'm missing us so bad

These tears just make me sadder

PRE-CHORUS:

Will you be there when I need you?

(As always) "As always" you promised

You'll be there when I need you

CHORUS:

I wish it's not over

I wish it's not over yet (4x)

I'm sorry if I was

So stupid and so careless with my words

I thought of that

And I'm feeling guilty, feeling sorry

I just hope you talk to me

Let's talk this over

Let's talk this over

Let's talk this over

Let's talk this over

(PRE-CHORUS)

(CHORUS 2x)

\*ADLIB\*

(CHORUS 2x)

Let's talk this over (4x)
