

## Artificial October "New Years"

Visit "[New Years](#)" on [MotoLyrics.com](https://MotoLyrics.com)

We have been through tough times  
And we survived them all  
We're here now, we're safer  
Than ever before

CHORUS:

So I promise you  
I won't fail to love you  
More and more each day  
I will hold you close,  
Hold you tight  
When you fear the night

We will dance as your feet are on top of mine  
I will hug you and kiss you  
And love you right

[CHORUS]

I will love you everyday  
Understand you all the way  
We'll be counting new years  
Spend a whole year together  
My dear

So I say  
I love you  
And I say  
I love you  
And I say  
I love you  
And I say  
I love you forever.
