All I hoped for
Was for everything to turn out just right
All I hoped for
Was for everything to turn out just right
But you never let them...
But you never let them...

All I hoped for
Was for us to be happy forever
All I hoped for
Was for us to be happy forever
But you're always being selfish...
But you're always being selfish...

PRE-CHORUS:

And now you're walking away
Away from me
And now you're walking away
Away from me
You massacred me
You massacred me
You massacred me
You massacred me
You massacred me
You massacred me

CHORUS:

I hate it when you do things your own way!
I hate it when you do things your own way!

CODA:

Are you happy now?
Are you happy now?
Are you happy now of what you've done?
Are you happy now?
Are you happy now?
Are you happy now of what you've done?

[Repeat CHORUS]

Your own way...
Your own way...
