[Verse 1:]

In this world of sinners
I am set to rescue you all
My name is salvation
Follow me now and worship my call

In this world of liars
My name is whispered by those with no faith
I can be forgiven
Speak my name, it's never too late

[Bridge:]

But I am so tired of love revenge is what I need

[Chorus:]

Feeling trapped inside my cage
The tensions boiling I'm filled with rage
I can never go back to what
I never was before
Please forgive me farther hear
I'm not the image you hold so dear
Electrified crucified
Upon my cross I crawl, and die

[Verse 2:]

Agony is rising
Inside the holyman made from hell
Symphony of angels
Tempting me in my lonely cell

To end this new beginning
I must turn the cross upside down
Sacrifice is vital
I throw my crown down to the ground

[Chorus]

The lats days are here
The fallen of the sun
Caress my soul
I will not believe in you

[Repeat verse 1]

[Chorus]
