Visit "[Wanted: Salvation](#)" on MotoLyrics.com

Here I go
Waiting for something
Something that's not for me at all
(Not for me at all)

Here I go
Dreaming of someone
Someone who is not for me at all
(Not for me at all)

And I was so hopeful
(That my day will come)
And I've been so hopeful
That my day will come

Then I was forgotten
I was rejected
You never cared
Never cared at all
You left me here waiting
You left me here dying
And now I'm bleeding to death
Can you save me now?
(From this depression I'm having inside)
Can you save me now?

Save me now (3x)
Just save me now

Here I go
Dreaming of someone
Someone who is not for me at all
