[Jay-Z ]

When the sky falls and the Earth quakes

We gon put this back together

We won't break

[Repeat]

[Jay-Z]

Sa Pa SÃ©, my Port-Au-Princes

My Haitian Gods and all of my Princesses

Our condolences as you fightin' against this

We're right by your side as we tryin' to make sense of  
this

Heavenly father help us see through these problems

And for those that's left accept them into your garden

So here's my theory, the country's already starvin'

So we sacrificed many to she'd light on all of them

God please pardon, I speak from my heart

It's the only way I see this tragedy befall on them

So lets get involved with them, hand to hand with them

Arm to arm with them til they get strong again,

When the sky falls...

(Rihanna and Bono "hook")

Not tomorrow

Can't wait

Until Tomorrow

[Chorus]

Heyyyy

Haiti A Mi Amour

Haiti Mon Amour

Not gonna leave you stranded

Oh no

Oh no

Oh no

[Jay-Z ]

When the sky falls and the Earth quakes

We gon put this back together

We won't break

[Repeat]

[Jay-Z Verse 2]

Learn from the past, New Orleans was flooded  
So we know we just can't rely on the government  
We under the rubble again, here we go rumbling when  
When we gon catch a break, my friend lost his mother  
and then  
And then, Carline lost her uncles and them  
Buried with no caskets, they just put covers on them  
And the tears fall, and we fight back  
Story ain't done, it can't end like that  
Nah not like this, tomorrow's survivors gonna carry on  
your name  
You live on inside us, your memory's alive with us  
You inspired us, to rebuild this country, you just guide  
us

(Rihanna and Bono "hook")  
Not tomorrow  
Can't wait  
Until Tomorrow

[Chorus]  
Heyyyy  
Haiti A Mi Amour  
Haiti Mon Amour  
Not gonna leave you stranded  
Heyyy  
Yeah-yeah-yeah  
Not gonna leave you stranded  
Oh no  
Oh no

[Bono]  
It's not the angels that are on their way  
It's not the bells of Sant'© Trinity  
The people waiting, position vacant  
For hands to help, not just to pray

[Chorus]  
Heyyyy  
Haiti A Mi Amour  
Haiti Mon Amour  
Not gonna leave you stranded  
Heyyy  
Yeah-yeah-yeah  
Not gonna leave you stranded  
Oh no  
Oh no

[Bono]  
Haiti va s'©lever,  
Tu vas te relever;

Nous nous Ã©crirons ensemble.  
Not gonna leave you stranded [Jay-Z]- (we gon put this  
back together we won't break)  
Not gonna leave you stranded [Jay-Z]- (we gon put this  
back together we won't break)  
[Jay-Z]  
We gon put this back together we won't break...  
(repeat)  
[End]

Performed by: Jay-Z, Rihanna and Bono
