I wanna know why this feels so right
I wanna know why u hold me tight
Each and every night, it keeps me up all night
Thinkin' about the things I like
Can't believe you're in my life
I wanna know why ur the one
The things that they should have you've already done
God sent u straight to me
You make me wanna sing lalalalala

Chorus:

But when you look at me, do you see me right?
Can you picture us lovin' each other for life?
Are you playin' the role, just like the rest
These are the questions that I ask myself
If, another should come, who's finer than me
And she wanna take your love away, would you leave?
Baby please answer these questions

Could this be my whole fantasy
Maybe u could just be too good for me
If I don't wake then I won't see
Cuz if im not the one you met, then who is in me
In the midst of the tears how come, I love you more,
and more, and more
I never longed for no one, yes its true
Seems like this questions keep me here with me

Chorus:

But when you look at me, do you see me right?
Can you picture us lovin' each other for life?
Are you playin' the role, just like the rest
These are the questions that I ask myself
If, another should come, who's finer than me
And she wanna take your love away, would you leave?
Baby please answer these questions

If you, really wanna be with me
Then ill say, I love you endlessly
One thing that I really wanna know
Will this end or will this grow
And now if you really be wanna be with
I'll love you endlessly

One thing that I really wanna know
Will this end or will this grow

Chorus:

But when you look at me, do you see me right?
Can you picture us lovin' each other for life?
Are you playin' the role, just like the rest
These are the questions that I ask myself
If, another should come, who's finer than me
And she wanna take your love away, would you leave?
Baby please answer these questions
