I had a vision in my mind  
Where it was a different world  
There people lived other life  
In a time out of our control

I've seen moonlight and sun shine  
More where sky is pure and clean  
I've felt whisperings in the air  
And breezes of (other) seas

Will new winds of change come  
That they'll bring illusion?

Will lost hope return dreamland?  
Where do your tears fall?  
Dreamland

Where children's innocence expand  
Where there is an only war  
Is the one of peace and love  
Because laughters invade their hearts

I've seen moonlight...

Will new winds...
